Subject: Grant Available to Stow-Munroe Falls City School District for Flock Cameras

Hi, Captain Snively!

I wanted to let you know that Stow-Munroe Falls City School District can pursue a grant to purchase Flock cameras and I've copied my colleague on this email - this is time-sensitive! His name is Ray Joyner and he's very helpful! Would you be open to making a connection with Ray to your school's SRO to discuss this opportunity?

If you need us to request someone else to make the introduction, please advise!

Thank you sir,
